

ANNUAL MEETING: April 29, 2026

You have a voice! We are a not-for-profit cooperative, with **unpaid** directors that are elected by you. Come to our office at 6:00 pm to hear a report on the “state of the Credit Union” from the president, and to place your vote for director re-elections. Members Only please, and yes, there will be some treats and prizes.

Our current board includes **Dave Strote, Judy Kirk, Tony Edwards, Jose Juarez, and Cam Uhling**. Dave and Tony are up for re-election. We also appreciate our supervisory auditors (not pictured), including Joyce Myers, Amy Wilcox and Celie Erickson.

Educational Scholarships Available!

Scholarships of \$500 and \$1,000 are available for graduating high school seniors, and continuing college students. They are available for pre-

existing members of the Credit Union, and for the children of current IBEW #112 electricians. The submission deadline is April 30, and the application should include a student essay, official high school transcripts, and 2 letters of recommendation (from high school officials, current/past employers or from a pastor). These memorial scholarships are named after Jens Olsen, an IBEW #112 Credit Union founder, and John Myers, for his 25 years of service as a credit union official.

Tri-CU Treasure for Kids!

Did you know about our Treasure Trove accounts for kids? Prizes for their deposits, birthdays and school report cards, free use of our coin machine, a free piggy bank, and 5% APY on the first \$500 in their account! Let our friendly dragons Charlie and Sunny encourage your kids to save their gold coins, building their own Treasure Troves today!

President's Message

Spring is here, after that mild winter - we'll take it! We are busier than ever as we *give back* to our members and this community. We are excited for further partnerships with great organizations like the Richland Food Coop, the Union Gospel Mission Homeless Shelter, the BF Humane Society, and coming up soon – the Safe Harbor Crisis Center. We hope you come meet our new employee Tony, in the loan dept. Don't forget to follow us on social media, as Natalya is creating some hilarious material. Oh, and Leilani is usually in the lobby office now, ready to help you open new accounts – sit down and say "hi" to her!

Lastly, due to our strong financial health, we hope you enjoyed that extra \$\$\$ in your account on January 1st, as we paid 50% APY on the first \$500 in primary checking and savings accounts. When is the last time your "big bank" did that? In the meantime, we are still paying 5% on the first \$500 in primary savings and checking (which is pretty awesome as well). Thank you for your membership in Tri-Cities' only small and local credit union, serving our community since 1969!

Doug Wadsworth
President

PS: I know it's a little late, but we had some great Halloween Costumes, and even Santa with a Christmas elf visit at the end of last year. We are the place to be!

For Local #112 Only

If you are an IBEW #112 Electrician, let us know because there are some additional special account perks you are eligible for (more than just the very cool custom #112 debit card).

Welcome our New Employee!

Tony has lived in the Tri-Cities since 1998 and brings an extensive background in sales, finance management, and customer service to our team. In his spare time, he enjoys being outdoors, particularly hiking and playing golf. Tony is excited to join Tri-CU and looks forward to making a positive impact for our members and local businesses and charities in the community.
